Some suggestions for donations are listed below, but you are of course welcome to contribute at any level that you would like. All donations from Friends will support a combination of our crucial running costs which enable us to plan and develop our work, as well as the actual costs of our prison projects.

I would like to donate:

- □ £60 per year (£5 per month) could provide a group of 15 prisoners with a professionally recorded CD of the music they have created during a project which will testify to their achievement.
- □ £120 per year (£10 per month) could make a significant contribution to the general running costs of our office which is crucial to allowing us a realistic planning horizon for projects.
- □ £300 per year (£25 per month) could enable one project leader to work with 12 prisoners, giving them the chance to take part in a creative music project that will build their confidence and skills.
- □ £600 per year (£50 per month) could allow the team to provide in-situ training for a new musician who will either go on to join the team, or continue using music in prisons in different ways.
- □ £_____ (other amount)
